Complete Commercial Motor Vehicle (CMV) Training Series

(TRAN5500)

***110 Hrs (7 weeks) | Cost: \$3,300**

Completing our CMV Series gives you knowledge of, and experience with, Class A and Class B vehicles while preparing you to obtain a **Commercial Driver License (CDL) Class A**. This is the most sought after license which (with additional endorsements) will allow you to drive the largest combination of vehicles.

Training with our new CDL simulator will help you get comfortable with shifting and transitioning to driving on the road.

A version of this course without the permit preparation is also available (TRAN5510).

**7.3 semester hour equivalent*
