Nurse Aide Training Program

(HLTH5100)

*150 Hrs (9 weeks) | Cost: \$2,500

If helping others is what you love, prepare for a career in healthcare where you can make a difference.

Upon successful completion of our course and passing the certification exam, you'll be recognized as a **Certified Nurse Aide (CNA)**. Program fees include the Prometric exam, First Aid/CPR and AED training, uniforms, blood pressure kit and textbooks.

As a CNA you may continue your education through a Licensed Practical Nurse (LPN) or Registered Nurse (RN) program. Employment options include working (in long-term care facilities, hospitals and clinics) as a Nursing Assistant, Personal Care Aide, Home Health Aide, Orderly, or Psychiatric Aide.

Get certified through OCEWD and pursue your passion.
